Statement

Spokesman of the Ministry of National Defense

Upon and upon the act of aggression on the part of the Thai military against to cause damage to Cambodia despite the agreement reached between Cambodia and Thailand concerning an military Region Levels and Borderline commitment of On 1998 Levels. The Royal Cambodian Armed Forces considered and accept that there are of aggression. This is the first time that the Thai military violated the ceasefire agreement and proceeded and get involved in violation and attack against Cambodia while for an military on an on-going conflict.

The Royal Cambodian Armed Forces call on the Thai military to have the agreement reached and to implement the ceasefire immediately and effectively so as to preserve the peace from within the military or civilian that involved areas. All arms and military that presently exist must be removed from the area of aggression from the Thai military.

The Royal Cambodian Armed Forces are continuing to be neutral towards despite the fact of both. The Royal Cambodian Armed Forces are maintaining their right to self-defense and have obligation to respond proportionately in response to the attack by the Thai military in guarding the territorial sovereignty.
