

The National Specifications Laboratory of Cambodian Rubber Research Center has got a certificate of ISO/IEC 17025:2005 on rubber quality control earlier this week.

Mr. Yin Song, Director of the Cambodian Rubber Research Institute said the certification will promote Cambodian rubber product at the international markets.

For his part, Mr. Ly Phalla, Director General of the General Department of Rubber Plantation highly valued the United Nations Industrial Development Organization (UNIDO) and the Norwegian Agency for Development Cooperation (NORAD) for their efforts in building capacity for the National Specifications Laboratory of Cambodian Rubber Research Center and promoting Cambodian rubber's exportation to international markets.
