

**Cambodian Prime Minister Samdech Akka Moha Sena Padei Techo Hun Sen yesterday appreciated Royal Academy of Cambodia's 11 years achievements at the sideline meeting of the Lok Chumteav Kittiprittbandit Bun Rany□ H
un Sen's Title Conferment Ceremony yesterday.**

H.E. Mrs. Dr. Khloth Thyda, President of the Royal Academy of Cambodia (RAC) told Samdech Techo Hun Sen about the RAC's 11 years achievements since re-establishing on May 11, 1999.

As a national advance research institution of the country under leadership of Samdech Techo Hun Sen, especially the 'Win-Win Philosophy', RAC has conducted around 32 researches in the country and outside, she said.

In reply Samdech Techo Hun Sen said to develop a society we needs philosophers to forecast and build up the long term perspective.

Samdech Techo Hun Sen highly encouraged Cambodian academicians to continue their wisdom and professionalism to achieve the country's development goals.
