**STATEMENT OF THE SPOKESMAN OF THE MINISTRY OF FOREIGN
AFFAIRS AND INTERNATIONAL COOPERATION OF CAMBODIA**

On 26 April 2011, acting government spokesman of Thailand Mr. Pavin Wattanasuporn said that the Thai cabinet passed a three-part resolution which included the use of "military action" to remove Cambodian troops out of the so-called "disputed area".

The Royal Government of Cambodia considers the above decision of the Thai Government as tantamount to a declaration of war against Cambodia.

The Royal Government of Cambodia considers as the strongest basis Thailand's threat and judgement actions to use its large and powerful more superior military might to take control over the Cambodian territory recognized by the International Court of Justice in its 1962 judgement. I should be noted that Thailand's territorial claims are based on its own unilateral claims map without legal basis.
