Press Release

The Spokesman of the Ministry of National Defense fully deny and reject the fabricated information made by Thai Defense Minister Prasert Wangsomwan, disseminated by Thai media coverage on 26 May 2011, under the title "Cambodia agrees to host General Border Committee (GBC)".

The fabricated information contradicts the conceptual process of the package of solution, agreed upon during the meeting of Cambodia, Indonesia and Thailand Foreign Ministers, which took place on 9 May 2011, in Jakarta, Indonesia. The package of solution has indicated clearly and sequentially its procedures. At the start, Thailand shall send an official letter to endorse the Three Foreign Ministers' Agreed Summary of the Meeting. This is the first and most indispensable step to be taken before further proceedings are already stated in the package of solution.

Therefore, any effort made against or deviates from the content as clearly indicated in the package of solution, is unacceptable to the Ministry of National Defense of the Kingdom of Cambodia.
