N° 06/ MEAC/CCA

The Ministry of Foreign Affairs and International Cooperation of the Kingdom of Cambodia presents in compliance to the Royal Thai Embassy in Phnom Penh and, with reference to the Ministry's Notes N° 06/ MEAC/CCA dated 17/04/2011, N° 06/ MEAC/CCA dated 20/04/2011 and N° 06/ MEAC/CCA dated 27/04/2011, the following to draw the latter's attention to further violations of Cambodia territorial integrity by Thailand's armed forces, which occurred in the morning of 27 April 2011, as follows:

On 27 April 2011 Thai armed forces resumed another shelling on Cambodia against the area of O'CHHEU village at 05:00 and at 22:30 in the area of TA KHAHRYT Village.

By its Note of 28 April 2011, Thai armed forces still continued their attacks on Cambodia territory, supported by heavy artillery shelling in the area of Cambodia's province of TAKEO and TA DREKLYE, as well as three border villages of Kampong Speuk District (Village Muechey Preaek).

Subsequently, Thai armed troops, supported by another shelling, attacked Cambodia border district area of O'CHHEU village. Fighting still persisted as at 05:00 on 28 April 2011.

The Ministry of Foreign Affairs and International Cooperation of Cambodia continues to strongly protest against the repeated and continued violation of Cambodia sovereignty and territorial integrity by Thailand, which not only go against all relevant legal conventions, but also the efforts to seek a peaceful settlement of Cambodia-Thailand border problem.

While remaining committed to finding a peaceful solution to the border problem between the two countries, Cambodia reserves its legitimate rights to self-defence and to safeguard its sovereignty and territorial integrity.

Once again, Cambodia appeals to Thailand to respect the United Nations Security Council's Resolutions on 19 February 1991 and the Statement of the ASEAN Chair on 22 February 1991, and accept the Indonesian mediation in order to avoid further armed clashes.

The Ministry of Foreign Affairs and International Cooperation of the Kingdom of Cambodia asks that of this opportunity to reiterate to the Royal Thai Embassy in Phnom Penh the assurance of its highest consideration.
